SUBJECT: REVISED CRIMES TABLE

CROSS REFERENCE: Wisconsin Administrative Rule HFS 12.

EFFECTIVE DATE: Immediately

PURPOSE

This memo provides a revised Crimes Table.

BACKGROUND

The Crimes Table that is a part of the Caregiver Background Check (HFS 12) has been revised. The Crimes List is now called the Offenses Affecting Caregiver Eligibility or the Offenses List. The Offenses List now lists other offenses that are not only crimes with a Wisconsin statute number; the Offenses list now includes these offenses:

1. Finding of neglect or abuse of a client, or of misappropriation of a client's property
2. Find o child abuse or neglect

There are no longer any crimes that result in a permanent bar. The Offenses List now indicates crimes and offenses that lead to a bar with rehabilitation. Many of the crimes that were listed on the previous Crimes List are no longer on the Offenses List. It now has become more important that convictions to crimes be evaluated to see if they substantially relate to the job of caring for children. Counties and Tribes must continue to complete thorough Rehabilitation Reviews, as the crimes may have become more serious.

The entire Offenses List has been attached, however only section II pertains to day care certification.

The Offenses List, as well as other Caregiver Background Check information, can be found at the Caregiver Background Check website www.dhfs.state.wi.us/caregiver/index.htm.

OFFENSES AFFECTING CAREGIVER ELIGIBILITY

NOVEMBER 1999

INTRODUCTION

This document lists Wisconsin crimes and other offenses that the Wisconsin State Legislature, under the caregiver law, ss. 48.685 and 50.065, Wis. Stats., has determined either require rehabilitation review approval before a person may receive regulatory approval or may work as a caregiver, or act to permanently bar a person from receiving regulatory approval to be a foster parent.

NOTE: This table reflects changes in the caregiver law made by 1999 Wisconsin Act 9, the biennial budget, but the table is not yet part of Chapter HFS 12 of the Wisconsin Administrative Code.

If a person has been convicted of a crime in another state or jurisdiction, the entity or regulatory agency must locate on the table below the Wisconsin crime which is identical or most similar to the crime for which the person was convicted and apply the consequence identified. This instruction also applies if the person was convicted in Wisconsin, but the statute number or crime title has been changed or amended. For example, convictions under Chapter 961, the Uniform Controlled Substances Act, were previously convictions under Chapter 161.

Notwithstanding s. 111.335, Wis. Stats., ss. 48.685(5m) and 50.065(5m), Wis. Stats., permit a regulatory agency to deny regulatory approval or an entity to refuse to employ, contract with or permit to reside at the entity a person whom the regulatory agency or entity determines has been convicted of a crime that is "substantially related" to the care of a client. The agency or entity may review a conviction to make that determination when: (a) The person has been convicted in Wisconsin or another state or jurisdiction of any crime that is not listed in this appendix; or (b) The person has been convicted of a crime that is listed in part III. of this appendix for foster care purposes only.

Under the Caregiver Law, current limitations on a person's professional credentials may limit the person's eligibility for employment or licensure in a position for which the person must be credentialed by the department of regulation and licensing.
